Experience

Neu Project | Founder & Operations Lead

Mar 2024 - Present

- Founded Neu Project and launched three virtual talents, coordinating recruitment, debut planning and production; their YouTube channels reached approximately 30,000 combined subscribers and over 2 million views in 20 months following debut.
- Established talent collaboration terms and production workflows, managing venture budgets and coordinating content requests with creative vendors.
- Managed ongoing projects with Japanese illustrators through direct Japanese-language communication, coordinating creative requirements, schedules and deliverables while balancing production costs with brand objectives.

Guang Teng Co.,LTD. | Product Manager

Jul 2022 - Present

- Contributed to product and business planning, assessing sourcing options and coordinating product introduction in Taiwan.
- Reviewed tubing costs and identified international freight as a key cost driver; sourced compatible tubing from domestic respiratory-tubing suppliers at a purchase price approximately 97% below the imported option's freight-inclusive unit cost.
- Owned a South Korea-Taiwan medical-equipment sourcing and import project from supplier outreach and price negotiation through regulatory coordination, customs clearance and final delivery.
- Contributed to the company website and LINE Official Account to support customer inquiries and business communications.
